

Dear Parent/Guardian

You should now have heard from your child's phase leader about plans for after half term and more pupils returning to on site learning. We have thankfully not had any confirmed cases of Covid-19 since the start of the pandemic and we continue to take the following steps to keep staff and students safe.

- Hand washing basins in main entrance areas and temperature checks on arrival
- Regular cleaning of all areas
- Face masks worn by all staff in corridors and shared working spaces
- No visitors on site unless for essential works usually outside of school hours
- All staff being tested twice a week and secondary student's weekly

We will continue to test secondary students weekly after half term. You will not receive a notification when your child has been tested but we will inform you if any show as positive. Please complete the consent form by following this link if you have not already done so.

Please remember if your child receives a positive covid test at any point over the half term period then you need to email m.hester@maidenerleghtrust.org with the positive date and information of when symptoms started so we can track and trace if necessary.

Have a great half term and we look forward to welcoming more students back from 22nd February 2021.

Yours faithfully
