CAREERS ACROSS THE TRUST

With the lifting of COVID-19 restrictions earlier this year, our Careers teams across the Trust have welcomed the opportunity to re-introduce aspects of our face-to-face provision...

MET FURTHER AND HIGHER EDUCATION FAIR

 On Friday 1 October, we hosted our first ever Maiden Erlegh Trust Higher and Further Education Fair! Thousands of students from Years 10-11 at Maiden Erlegh School and Year 11 at Maiden Erlegh Reading took the opportunity to discuss their future pathways and destinations with over 40 representatives from colleges, sixth forms, universities, and apprenticeship and training providers. Excited by the prospect of learning more about their future options, the students engaged in an exemplary way with the visiting representatives and asked intelligent and thoughtful questions about admissions, entry requirements, and career prospects. Thank you to our fantastic representatives who travelled to Reading from all over the country - we could not have done it without you!

FURTHER AND HIGHER EDUCATION FAIR

MECE FURTHER EDUCATION FAIR

 Students at MECE were exploring their educational options this term at the school's first ever Further Education Fair! The after-school event boasted representatives from local sixth forms and colleges including Henley College, Kendrick Girls' School, Bracknell and Wokingham College, and Maiden Erlegh School. The fair was attended by hundreds of MECE students, eager to begin these important conversations about the future pathways and discover what is required to enable progression to the next stage in their educational journey. Thank you to the amazing representatives who gave up their time to support our students!

LIONHEART CHALLENGE

MES LIONHEART CHALLENGE

 Maiden Erlegh School Gold Programme students impressed judges from senior management at the Oracle Shopping Centre and Hammerson in the renowned LionHeart Challenge on Friday 26 November! The students worked with Business Coaches to produce inspiring, detailed, and creative business proposals for community action projects, including comprehensive plans for the research, finance, marketing, and human resources elements of their initiatives. Thank you to the LionHeart representatives and business leaders who provided this unique and invaluable opportunity for our students!

CAREERS WEEK 1: 6-10 DECEMBER

#CAREERS WEEK 1

 From 6-10 December we are celebrating #Careers Week 1!

To raise awareness of the diverse range of possible destinations, teachers will be sharing a selection of career pathways and roles linked to each subject. Students will also discuss how their subjects can 'futureproof' their employability in a fast-changing world.
