Dear Parents/Carers

Head of School Appointment

I am delighted to announce that Ceri Burns has been appointed to the role of Head of School, working alongside Mandy Wilton, Executive Headteacher. Ceri has worked for the Trust for several years and has successfully led a variety of teams and projects, not least playing a key role in the development of Maiden Erlegh School in Reading, where she is currently Senior Assistant Headteacher. Ceri is very excited to be joining Cranbury College and develop the school with best interests of learners, parents and staff. We are excited for the evolution of Cranbury College under her leadership.

Yours sincerely

Mandy Wilton  
Executive Head
