

15th July 2022

Dear parents/carers,

Following our ongoing Risk Assessment, we have been monitoring the impact of the extremely hot weather. The met office have now issued a red warning and as a result, we have taken the decision to close the school on Monday 18 July. This will therefore effect students attending school on Monday morning, as original closure times were for Monday lunchtime. Should your child be due to attend an alternative setting, this too, will be cancelled on Monday.

If your child was due to attend school on Monday morning, work will be shared with them from their teacher/ link to a platform they can use.

May I take this opportunity to wish you a very relaxing summer and I look forward to meeting you all at some point in the next academic year.

Yours sincerely,

Miss C Burns

Interim Head of School
Cranbury College
