

REF Mock Exams November 2022 Morning Examinations

Dear Parent/Carer

At Cranbury College we want to ensure that your child is fully prepared for the summer 2023 examinations and we hope that you will fully support us in delivering a successful mock examination period.

These examinations will provide your child's teachers with a clear indication of where they may need additional support for them to be able to achieve their full potential during the summer 2023 exam period.

You can find the mock exam timetable below which details all written exams which will take place during the mock period. (Please refer to the timetable text sent to you on 16th November)

These mock exams will also ensure that your child fully understands the formal JCQ examination regulations, and how GCSE/ELC exams will run at Cranbury College.

- Students must remain in silence at all times in the examination rooms, and must not attempt to communicate with any other student
- Students must hand in at reception before the examination starts any electronic devices - this includes mobile phones, headphones, and watches
- Students must only have a transparent water bottle.
- Students do not need to bring their own equipment as this will be provided by Cranbury College
- Students must leave all their belongings at reception.

Students not following the rules during an actual GCSE/ELC examination must be reported to the examination boards. This can lead to being disqualified and not receiving a grade. It is important that students experience the same conditions during mock examinations, so they are familiar with them, and gain confidence and resilience whilst facing some relatively long papers.

Students will need to stay in school after their examination ends. They will be allowed to leave school at their normal time.
