

Monday 5 December 2022

Dear Parents and Carers,

Re: Friday 9 December – Cranbury College Information Day ILP Students

Following our recent 'save the date' text, I write to formally invite you to attend the Parent's Information Day at Cranbury College. We are on an exciting journey of development, and we would love to share these plans with you and update you on all the wonderful things we have been working on to further support your child(ren) and yourself as a family. We have several areas we wish to talk to you about including:

- The new school day from January
- The Curriculum
- Assessment and Progress Monitoring
- Funding and Pupil Premium
- Provision, Support and intervention for your child (including Special Educational Needs support)
- A new parent app – MyChildAtSchool

We would therefore like to invite you into school where we will go through this with you; troubleshoot any issues with the parent app, give you the opportunity to meet the teachers (old and new!) and collect a little Christmas goody bag which has been made by the students for you.

Your child will follow their normal timetable this day and are not required to come to the information day.

Parents can choose which session they attend below:

AM Session– 10:45am - 12:00pm

PM Session – 2:05pm - 3:15pm

Early next week, you will receive an email from Cranbury College titled 'MCAS - Redeem Invitation Code'. This is to create an account for the MyChildAtSchool app. This app will allow you to update your child's personal details as well as look at their attendance, behaviour and timetable. During Parent's Information Day, if you are having any difficulties creating your account or having issues using the app there will be staff available to support you.

If you could please use this link <https://forms.office.com/e/bRR6JUiqzE> to let us know how many seats you require, it would be appreciated. This will also help the students plan how many Christmas goody bags they need to make.

We very much look forward to welcoming you to Cranbury College and sharing our exciting journey with you.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ceri Burns'. The letters are cursive and connected, with a long horizontal stroke extending from the end of the signature.
