Dear Parents/Carers

REF Student Mobile Phones

Students using their mobile phones within school is a major concern at Cranbury College. We are finding the use of their phones is impacting their attention and attendance to lessons. Students are frequently seen in and out of their lessons on their phones.

As we are trying to promote a positive learning environment and ensure your child is kept safe, from Monday 20 February, we expect all students to hand in their mobile phones at the beginning of the school day. These will then be kept secure until the end of the day and handed back to your child by a member of staff.

Please can you encourage your child to either leave their phones at home or hand them in to a member of staff at the beginning of the day.

Failure to hand in their phones, will result in a phone call home and your child will not be allowed on school site.

Just to remind you school will be closed tomorrow, Friday 10 February and will re-open after half term on Monday 20 February.

If you have any concerns regarding this, please do not hesitate to contact me.

Yours Sincerely

Sharon Quittenton
Re-Engagement Lead
Cranbury College
