Dear Parent/Guardian

Strike Action – School Provision 2 March

Following the last teacher strike day on Wednesday 1 February, we have reviewed our capacity as a school and have revised the provision for the upcoming strike on Thursday 2 March.

Below outlines what we will be able to provide, taking into account our restricted capacity, and explains what all students should be doing on this day:

Primary

The primary school will be closed to all students – work packs will be sent home to parents and carers.

Your child will be provided with a packed lunch to take home on Wednesday for the following day.

Secondary

The secondary school will be open to all Year 11 students, as well as vulnerable students. More information regarding what is deemed as 'vulnerable' by the DfE can be found on the [form here](#). Please use this form to request a place in the provision. We request you do this as soon as possible so we are aware of numbers to expect.

The school day will be as normal, 8.50am – 2.10pm.

Any child on an Individual Learning Plan, where Alternative Provision is attended, this will continue as normal. If the taxi is booked to collect your child to/ from the school, this will be rearranged for you for all strike days from the priority address we have on our system. *Please contact the college in advance if this will not be the case on that day. We will be unable to rearrange transport on the days of the strike.*

If your child has an EHCP and does not have Alternative Provision arrangements on these days, please complete the above form.

Students not eligible for attending school on strike day will have the option of taking home a packed lunch, which will be offered on the previous school day. For any students absent the day before a strike day, we would ask that parents/ carers complete the above Google Form to request a packed lunch. The lunch can be collected at 2.10pm the day before a strike day. Please ensure you have completed this Google Form by 9.00am on Wednesday 1 March for the strike on Thursday 2 February.

Students not eligible for a place in school are being directed to the following resources to complete work.

[Oak National Academy](#) (Resources for all ages from Early Years to Key Stage 4)

[GCSE Bitesize](#)

[Seneca - Learn 2x Faster](#)

[Young people's mental health & wellbeing resources | The Children's Society](#)

Please contact the school should you require paperwork packs.

Post 16 provision will be open, and as previous arrangements will attend the Cranbury College site at **8.50am**. The address for Cranbury College Secondary site is:

The school day will finish at 2.10pm.

Hospital
