

OUTREACH SUPPORT

PRIMARY OUTREACH

Cranbury Primary Behaviour Outreach service works with Reading mainstream primary schools and academies to support students with their Social, Emotional and Mental Health (SEMH) needs, which may compromise their learning and /or the learning of their peers. We provide early, targeted support for children who do not currently have Education, Health and Care plans (EHCP).

Our aims

- Remove barriers to learning
- Empower schools and parents
- To reduce the number of students at risk of exclusion.
- To support schools to reduce suspensions.

'Cranbury Engaged' is our bolt-on intervention offer which can be accessed within Tier 1 and 2 support for an individual student.

It can also be accessed via referral, for a group of students.

CRANBURY ENGAGED

(Intervention offer to local schools)

Behaviour Outreach Support Officers can provide either 1:1 or small group interventions. This includes, but is not limited to:

- Draw and talk
- ELSA
- Lego Therapy
- Self-identity and self esteem
- Anger Management
- Social Skills

**This package will be accessible from Spring 2024*
