

# Primary Outreach

Cranbury Primary Behaviour Outreach service works with Reading mainstream primary schools and academies to support students with their Social, Emotional and Mental Health (SEMH) needs, which may compromise their learning and /or the learning of their peers.

## Our Aims

- Remove barriers to learning
- Empower schools and parents
- To reduce the number of students at risk of exclusion.
- To support schools to reduce suspensions.

### Cranbury 'Engaged'

'Cranbury Engaged' is our bolt-on intervention offer which can be accessed within Tier 1 and 2 support for an individual student.

## How can we support you?

We provide early, targeted support for children who do not currently have Education, Health and Care plans (EHCP).
