Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff.

All relevant centre staff will have this document recorded as a training need on our training platform and have to confirm they have read it. This will be renewed annually.

Roles and responsibilities overview

The head of centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

The examinations officer is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The head of centre may not appoint themselves as the examinations officer. A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. (GR 2)

Head of centre responsibilities

The 'head of centre' is the most senior operational officer in the organisation. This may be the headteacher of a school, the principal of a college, the Chief Executive Officer of an Academy Trust or the Managing Director of a company or training provider. It is the responsibility of the head of centre to ensure that all staff comply with the instructions in this booklet.

For details about specific head of centre responsibilities, see sections 1, 8, 11, 12, 13, 16, 24, Appendix 1, section 6 and Appendix 8. (ICE Introduction)
