Dear Parents/ Carers

### Headteacher Resignation

I write regarding my resignation as Headteacher at Cranbury College. Many of you will be aware I have been the Headteacher at Cranbury College for two years and have recently had the opportunity to apply for a new role in one of our trust mainstream schools, Maiden Erlegh School. I have been fortunate enough to be appointed to this role, which I very much look forward to.

That said, Cranbury has been a central part of my work life for the last two years, moving here from Maiden Erlegh Reading to support the development journey at Cranbury, of which we have seen some significant improvements in our provision, curriculum, and staff structure, all which has the intention of improving outcomes for our children and young people.

Cranbury is a very special place to work and study; the staff at Cranbury do their utmost to support the young people in our care, ensuring we do everything possible for them to achieve success. We see many young people come through our doors, from reception, all the way through to Year 11. It has been an absolute pleasure to be a part of the Cranbury College team and journey, and no doubt will be developed even further by my successor.

The advert for this role will be out imminently, to allow enough time for a robust recruitment process, ensuring the students and staff here are ready for another great year with a strong leader for September.

May I take this opportunity to thank you for your support, and I truly wish our children and young people the very best in their next steps post Cranbury.

Yours sincerely

Miss C Burns  
Headteacher
