Dear Parent/Carer

Course Options Yr 9 & 10 Students September 2024

As we come to the end of the academic year, it is time to start thinking about the new one beginning in September and the qualifications your child will study whilst at Cranbury College.

Please see attached booklet that explains the courses available to your child. Each child will be required to choose one option subject and to help them do this effectively they will meet to discuss with their tutor in a 1:1 meeting on 20 June, before taking taster sessions in their top two choices on 25 and 27 June and then meeting their tutor again on 4 July to make their final decision.

I would be grateful if you could read through the attached booklet and discuss these subjects with your child, helping them to think about their next steps and what options would assist them most.

Your child's tutor will be in touch after they have made their final choice to share this with you and ensure you are in agreement.

I would like to thank you for your continued support

Kind regards
