

09 July 2024

Dear Parent/Guardian

Year 11 GCSE Results Day 2024

I am writing to confirm our plans for Key Stage 4 and Post 16 Results Day on Thursday 22 August 2024 and provide guidance on post results services this year. They will need to enter via the main entrance on this day.

Results Day – Thursday 22 August

Students are welcome on site to collect results from 10:00am-12:00pm on Thursday 22 August. If they would like their results collected by someone else on their behalf, emailed to an email address or they would like their results posted to a UK address different to what we hold on our system, please let us know by midday on 21 August 2024. Please note, emails and post will be sent after midday on 22 August.

The nominated person must have the student's permission to collect the results on their behalf. **The named nominee must also bring photo ID for themselves.** We will not release results to third parties under any other circumstances.

Post-16 destination advice

To support students who, at the time of receiving their results, need further advice and guidance with respect to their post-16 destination, there will be staff available to help them on Thursday 22 August 2024 until 12:00pm in the hall.

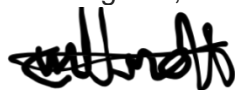

The National Careers Service will be delivering the Exam Results Helpline during August 2024. Young people or their parents can contact the helpline on 0800 100 900 to speak to a professionally qualified careers adviser if they need advice on their next steps. You can also visit [Careers advice - job profiles, information and resources | National Careers Service](#) or search for the National Careers Service on Facebook and Twitter.

Post Results Services

Please see **POST RESULTS SERVICE (JUNE 2024 SERIES)** Policy [on the website here](#). This includes details of how to appeal the awarded grade. Information regarding grade boundaries will be provided with the results on 22 August. Should you require a paper copy of these documents, please contact the office to request.

Should you have any questions or queries please do not hesitate to contact me.

Kind regards,

Claire Willmott
Deputy Head- Curriculum and Standards Lead
