Dear Parents/Carers

### **Students Smoking/Vaping**

We would like to take this opportunity to remind all parents/carers that smoking or vaping during the school day is not tolerated from our students and will result in a suspension.

Support is regularly offered to any student who believes they need external help in stopping vaping through our school nursing team.

All students will therefore be expected to hand in their mobile phones and any prohibited items (including vapes) when they enter their learning environment.

We will of course let you know if we have any concerns with your child doing this.

We thank you for your continued support with your child's education.

**Charlotte Baggley**  
Deputy Headteacher  
Behaviour, Well-being and Personal Development
