

Paracetamol Consent Form

Horizons AP Academy holds a supply of liquid Paracetamol for children aged 6+, which can be given to your child if your child suffers from a minor medical ailment in school, provided that you have completed and signed the parental consent form below. Paracetamol will be administered by a qualified First Aider.

I agree that my child can be given over the counter, non-prescription Paracetamol in school, following verbal consent from a parent/carer by telephone confirmation will be sent via text following administering the medication.

I understand that a qualified first aider will contact me in the event of such a necessity, having assessed the situation.

I give my consent for my child to be given Paracetamol (Dose dependant on package instructions as per below).
