Headteacher

As we come to the end of a very busy half term and start of 2025, I would like to take some time to reflect on the great achievements we have made, particularly the fantastic Ofsted outcomes that show just how amazing Cranbury, and its whole community, really is. I would also like to introduce our newest members of the team; we are excited for them to join us and give them a warm welcome into our wonderful community.

Mrs C Willmott

Staff Welcomes

Mrs Johnson

My name is Mrs Johnson. I am very pleased to be joining Cranbury College at the beginning of March as their new SENDCo. I have many years of experience working in a mainstream setting, along with 3 years as the SENDCo in a specialist SEND school. I'm looking forward to working with the school community, parents and associated agencies to make a positive difference to our young people.

Mrs Seymour

My name is Mrs Seymour. I am very passionate about securing good outcomes for our students and have joined Cranbury to be a part of our journey towards doing just that. I am Assistant Headteacher for Curriculum and Outcomes, so will be spending a lot of time looking at how well the curriculum meets the needs of all our learners with a view to securing them the best possible outcomes they can achieve.

I am also delivering Personal Development lessons to years 7-11 and I work with the inclusion team supporting students into their lessons helping them to be ready to learn. I am enjoying my new role and learning new skills.
