

14 March 2025

Dear Parent/Carer

I am writing to give you an update on our busy week and the exciting things we have planned in the weeks ahead. I feel that it would be good to share with you more regularly the exciting things we are doing at Cranbury and therefore I will write each Friday with a short update moving forwards.

This week we have seen our Year 11s complete their mock exams in preparation for the real things that start shortly after our return from Easter. They have done incredibly well and have shown all three of our values of Ready, Respectful and Safe for the most part. A reminder to all that there are strict rules set by the JCQ that must be adhered to for the exams and that punctuality and attendance is paramount.

We also celebrated our student achievements on Wednesday, with bronze achievers playing board games, silver achievers watching a film and gold achievers attending Oakwood Activity Centre to try bouldering and mountain boarding. A special mention to Nicholas and Jayden in Year 11 who reached platinum and received a voucher as their reward.

Today we also had our Careers Drop Down Day which saw students off timetable learning about all different aspects of careers and spending time with Fix Up, an external provider who offer sessions to motivate students to think about next steps and future career paths.

For those of you whose child attends Cranbury Road site, you will have received a letter from me regarding a change to the school day following the Easter break, please make sure you take the time to read this and let me know if there are any questions around it.

Next week you will be receiving your Spring Term reports, please look out for these too and take the time to discuss them with your child.

I wish you a lovely weekend and look forward to a great week ahead.

Yours Sincerely

Mrs C Willmott  
Headteacher
