22%

YOU SAID

1. Attending school events can be difficult due to transport issues
2. Thank you for treating each child like an individual and supporting your children well
3. More regular updates of your child's progress would be useful to support their learning

WE DID

1. We have offered online invitations to events like parents evenings to help remove this barrier
2. We will continue to provide tailored, personalised support to help your children grow and flourish
3. We are looking at the way in which we provide feedback most effectively and will take your comments on board for the new academic year.

Thank you for your feedback!
